Report of Performed Activities 2019

August 2020

The Madaster Foundation, founded end of December 2016, reports its key activities. In 2019, the following key activities were executed:

When	Activity highlights
Governance	The supervisory board was involved in reviewing the business development activities of Madaster Services. The board assured that the key position of Madaster Foundation in guarding the availability of data for 'the commons' stays in place both legally and strategically.
Activity abroad	<ul style="list-style-type: none"> ▪ Overall increase of introducing and positioning Madaster abroad ▪ Continued the rollout of Madaster to Switzerland, including the welcoming of the Swiss Federal Institute of Technology Zurich as a new Kennedy of Madaster Switzerland ▪ Conversations were being held in Norway and Germany ▪ Madaster joined a Dutch government trade mission to both Luxembourg and Taiwan. The Taiwanese mission resulted in a pilot project in Taiwan. ▪ Introduction of the Madaster concept in Australia and Colombia
Social media, publications & presentations	<ul style="list-style-type: none"> ▪ Madaster continued to actively communicate the required transition towards a circular economy using data of materials and products in the built environment. ▪ The Madaster contribution to the public debate about technology, circularity and the construction sector included cooperation to social media involvement, newsletters and multiple interviews, presentations and publications.
Content contribution	The participation at CB'23 – a Dutch public initiative to further standardize circularity concepts in the construction industry – was a major content contribution to the required transition towards circularity.
