## Asset Policy

July 2017

The funds donated to the Madaster Foundation are being used to realise the Foundation objectives. The activities initiated to realise the objectives are described in the high-level policy plan and budgeted on a yearly basis. If donations are not utilised for activities, the assets will be reserved for future initiatives on a non-risk savings account. If no future activities are being initiated, the funds will be donated to another Dutch public-interest organisation (ANBI stichting).
